experience

Mediocre | **Design Intern**
Summer 2025
Supported motion and brand identity development within Mediocre's studio environment. Contributed motion design for the Lexington Art Fair case study. Developed motion identity studies and animated brand elements for Breakout Escape Games.

Brown Student Radio | **Executive Designer**
Oct 2025–May 2026
Partnered on a station-wide brand refresh to allow for a visual identity that is consistent but allows for playful visual differences. Designed custom motion graphics and digital and physical social outreach to drive audience growth and production quality.

Visions Magazine | **Designer**
Feb 2025-Feb 2026
Designed social media assets and promotional graphics (layouts, motion, and illustration-driven posts) to support events, issues, and community programming for Visions Magazine.

Rhode Island School of Design | **Teaching Assistant**
Design Studio 1 | Fall 2025
Assisted with instruction and critique to support Graphic Design students' conceptual development, visual systems thinking, and technical execution under the supervision of Anther Kiley.

RISD Typeshop | **Typeshop Monitor**
2024–Present
Operate printers, binding equipment, and letterpress machinery, and assist peers with production workflows and material decision-making.
